

PLASTIC PARFAIT CUPS

Our soft-sided plastic cups are crystal clear and made from a durable, recyclable plastic. They are made from a #1 PET plastic- the most widely accepted plastic for recycling. Screen or offset printed, our plastic cups provide a top quality branding opportunity for all occasions.

Plastic cups can be paired with either flat straw slot or clear dome lids that are available in the same clear recyclable plastic. Practical too, lids are designed to fit multiple size cups with a single lid.
