

STANDARD PAPER CUPS

Our paper cups are made from a high quality white paperboard that provides the ideal surface for a clear custom imprint to market your brand. They are lined on the inside, which makes them ideal for both hot and cold beverages. Paper cups are 100% recyclable, so you will be benefiting the environment, too!

Our cups can be paired with either a dome sip lid, available in white or black, or a flat lid. They are universal, as well - fit multiple size cups, all with just one lid.
