

TRANSLUCENT PLASTIC CUPS

Our translucent cups provide an economical option for those on a budget. The cups are ribbed for added durability and rigidity. Their evenly frosted tone allows liquids to be moderately seen through the cup.

The semi-transparent surface provides just enough opacity so that ink colors contrast well and logos appear sharp and vibrant.

Item No.	Description	R35T				
		10,000	25,000	50,000	100,000	250,000
